Mike Steed, GENESYS
3210 E 85th St.
Kansas City, MO 64132

Dear Mike,

I just wanted to thank you and Eddy for the excellent work on the rebuild of the forming chambers on both Line 2 and Line 3 as well as the structural steel replacement work on Line 3.

Eddy was invaluable as a site leader and your project management was fantastic. Even with a compressed schedule you were able to complete the project slightly early and within my budget.

Thanks again for your efforts.

Regards,

Andrew Moore
